

In our lives mentors
could be

- Parents
- Teachers
- Friends
- Idols
- Historical figures

Mentor could be not
just someone you
know **personally**
-
but also a famous
figure in any
professional field

Looking at the **master
teacher** and their work we
can learn and improve
ourselves

2023
Year of the
educator and
master teacher

master teacher(mentor) is
a person, who will always
help and guide you.
Someone, who will teach
you and show how to do
better.
